Thanks: [redacted]

Yes, this is very helpful. Thank you also for the text last night. I truly do care about everyone's safety.

FYI, I will need a PCB map and also the individual files for the photos in the trip report. I want to include the photos in my action memo. However, this can wait until after the holidays. If possible, please try to have the photos to me by 1/4/19 and the map by 1/11/19. Let me know if you need LOE, but I think there should be enough on the TDD for now

Have a great holiday! Get some rest
Take care
Chris
